Dear Valued Patient,

As of March 9, 2018, DermOne Dermatology Associates of Texas and its physicians will no longer be providing services in the following offices:

Arlington
Boerne
Grand Prairie
Irving
Mesquite

Of note, the New Braunfels office will continue to operate under Dr. John Tieman. For appointments, please call the office directly at 830-320-9001.

We have appreciated the opportunity to serve you and want to ensure that your dermatology needs can be met going forward. Therefore, we are providing the following physician referral list. As always, it is your choice as to who you see for your dermatology needs; however, we thought this may be helpful to you as you consider your choices.

To access your medical records:

Your medical records will be available until March 9th via <https://dermone.com/patient-resources/patient-portal>. Please click the Texas region and then Dallas-Fort Worth.

After March 9, 2018 your medical records will be transferred to US Dermatology Partners, which will serve as the medical records custodian. To receive a copy of your medical records, or to have them transferred to a physician of your choice please call **(214) 420-0666 and ask for Alison Amiot**. In an effort to make this transition as seamless for you as possible, some of the alternative physicians listed below are affiliated with US Dermatology Partners (the medical records custodian), such that if you choose to continue your care with one of these physicians, you will not have the administrative burden of obtaining or transferring your medical record.

For patients seen in the above listed DermOne offices that are closing, the following patient care options are offered for consideration:
