

For our valued NJ DermOne patients, we are pleased to announce that DermOne Dermatology of NJ is now part of the Schweiger Dermatology Group family.

Schweiger Dermatology Group is known for providing high-quality, individualized dermatologic care to the greater New York and New Jersey area. Schweiger Dermatology Group is dedicated to improving the health of your skin by providing coordinated, efficient and quality patient care. By joining this thriving practice, we're able to offer you access to the latest cutting-edge treatments and procedures.

Schweiger Dermatology Group accepts the same insurance plans as DermOne and you may continue to be seen in your current DermOne office. We are excited to continue bringing you the top level dermatology care that you've come to know and trust.

What does this mean for you? See below for more information.
